Excellence in Childcare and Enrichment

Eagle's Nest

under new management

Greetings Families,

I would like to take the time to introduce myself; my name is David Edwards. I will be the new Community School Site Manager that oversees Eagles Nest, Enrichment, Late Starts, and Non-School Days!

As parents, you have many choices to make in the enrichment of your children, and a broad range of programs to choose from. We would be honored to be your choice. I am very excited to serve you and your children. Eagles Nest has full-time, part-time, and drop in openings in the morning 7am-8:20am as well as afternoons 3pm-6pm; your child will be in a safe environment participating in a number of exciting activities, enjoy a snack, and receive homework help. Keep your eyes open for information about upcoming Enrichment and Late Start opportunities.

One of the most exciting things about the program are the daily activities we will be offering. Join us as we explore STEAM in a fun and exciting environment. STEAM is an educational approach to learning that uses Science, Technology, Engineering, the Arts and Mathematics as access points for guiding student inquiry, dialogue, and critical thinking. The end results are students who take thoughtful risks, engage in experiential learning, persist in problem-solving, embrace collaboration, and work through the creative process. These are the innovators, educators, leaders, and learners of the 21st century!

We offer structure and variety; therefore our daily routine will be organized in the following way:

- 3:00-3:45—Playground/gym activities
- 3:45-4:00—Snack Time
- 4:00-4:15—Homework and reading quiet time
- 4:15-5:15—STEAM activity (Monday-Science, Tuesday-Technology, Wednesday-Engineering, Thursday-Art, Friday-Mathematics)
- 5:15-6:00—Free play

If you would like to sign your child up, please go to [stvrain.revtrak.net](http://stvrain.revtrak.net) and register.

If you have any questions, or if you would like more information, please do not hesitate to contact me at 720-652-8101. We look forward to seeing your child at Eagles Nest!

Sincerely,

David Edwards—Community School Site Manager
